

Application No. 09/242,772

Paper Dated September 8, 2003

In reply to USPTO correspondence dated 05/05/2003 and 8/11/03

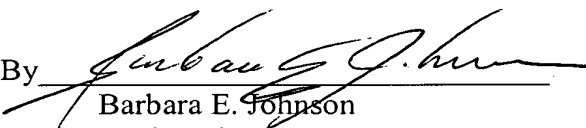

Attorney Docket No. 3374-990278

REMARKS

This Amendment is in response to the "Notice of Non-Compliant Amendment (Voluntary Revised Practice)" dated August 11, 2003. The Examiner states that the Amendment filed August 7, 2003 does not fully comply with the requirements of the voluntary practice because a complete listing of all of the claims is not present in the Amendment. In response, Applicants submit herewith a complete listing of all claims 28, 29, 33-48, and 50-52 in the above-referenced application. According to "Amendments Permitted under the Revised Amendment Practice and Treatment of Non-Compliant Amendments," an information web page located on the United States Patent and Trademark Office's web site, applicants are directed to resubmit only the needed corrected section(s) of a previously submitted Amendment when responding to a Notice of Non-Compliant Amendment, and should not resubmit the entire amendment document. Applicants, therefore, have not resubmitted the entire Amendment dated August 5, 2003, which also contained an amendment to the specification and claims, and a Remarks Section, responsive to the May 5, 2003 Office Action. Applicants respectfully request entry of the amendments contained herein and entry and consideration of the specification amendment and Remarks contained in the previously filed Amendment dated August 5, 2003. Allowance of pending claims 28, 29, 32-35, 47, 48 and 50-52 is respectfully requested.

Respectfully submitted,
